#### **Approval of Minutes**

The minutes of the previous meeting were unanimously approved as distributed.

#### **Open Issues**

There are no open issues at this time due to the stay-in-place order given by our governor Jay Inslee in response to covid-19 (the corona virus).

#### **New Business**

Debi presented the Treasurer financials for the month of March 2020. They are the same as previous.

The PVN vote meeting is canceled and will not be rescheduled. Instead, if you would not like to keep the roll you are in, private message Megan. If you are happy to continue in your roll with the PVN for the up coming school year then consider yourself voted in.

Amy will be adding the next PVN Zoom meeting to the next weekly newsletter

The PVN would like to reach out to parents who may feel disconnected at this time with a phone call or email to see if there are any needs they have i.e. a meal or specific prayer. We are also wanting to set up prayer requests for parents/teachers/administration that we will commit to praying for regularly.

The auction was moved to June 6th and there is nothing we can help with at the moment. There are still no gathering in groups of more than 10 in effect in our state. We will know more as time goes on.

Teacher appreciation is the first week of May. Megan is going to get the contact info of the room parents from the elementary grades. She and Savannah will split them up and touch base on what each class can do for their teachers. Angela will contact the secondary room parents and do the same.

Binders. Now is the time for filling in and adding to our PVN binders. When staff is allowed to go back to the school, if you left your binder in the G building, you can go pick it up. Amy will get us a calendar of the 2020/2021 school year to add to our binders as well.

High school and secondary school kids are still seeing their teachers with online learning, but our elementary kids, so far, are only doing take home packet learning with a weekly email from their teachers. We talked about the possibility of weekly Zoom meetings for each grade (third grade has already been established with Friday morning Zoom meet-ups) that the teachers initiate so they can connect with their class and the kids can see each other. It really boosts morale and helps with learning from home.

Amy mentioned doing a possible "teacher parade" for the elementary kids with teachers in the windows of the school and parents can go through drive line to wave at their teachers. She will talk to admin to see if that will work and then come up with a date after stay-in-place order is lifted.

Mast cards are not a priority due to all concerts and sporting events being canceled until further notice. If you have the time and want to do it you still can, but its not a must do at this time.
